

Limited Consumer Warranty **- RV12100 Battery HESS battery system**

Information Version: 1.3
20RVLW0901

Limited Consumer Warranty – RV12100 HESS battery system

1. Consumer Laws

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The benefits under this warranty are in addition to other rights you may have at law.

2. Product Warranty

Pylontech warrants that the Product will remain free of defects caused by improper workmanship or defective materials.

This warranty continues for a Two (2) years from the earlier of:

1. the date of installation of the Product; or
2. six (6) months after the date the Product was manufactured,

This warranty does not include any accessories and tool kit items provided with the Product.

This is a limited warranty only covers the repair or replace of a defective Product. Pylontech will repair or replace the Product if the Product is defective and returned during the Warranty Period. The repaired or replaced product will continue the original remaining warranty period. In either case it shall not justify as a renewal of the warranty period.

3. Warranty Conditions

The warranties in respect of the Product only apply if the Product:

1. is purchased from Pylontech or an Authorized Reseller in the Territory;
2. has the official Pylontech serial number;
3. is installed in the Territory and indoor environment;
4. is installed, operated and maintained in accordance with the Product Instructions;
5. be used on a daily cycle basis and only for energy storage system;

(Warranty Conditions).

The warranties do not apply if the defect in or failure of the Product's performance is attributable to your misuse, abuse, accident or non-observance of the Product.

4. Claim

Claims can be made to the Authorised Reseller from whom the Product was purchased or from Pylontech directly. You must, within 48 hours of a defect being discovered, notify Pylontech of a claim.

In order to claim under this Warranty, You must:

1. present the certificate of warranty declaration in its original form;
2. submit the invoice for the procurement of the Product indicating the date of delivery; and
3. provide the Pylontech system log data recorded by the Product as an indication of whether or not the Minimum Capacity has been achieved (but this would not be determinative).

To make a claim to Local responsible supplier, Master Instruments Pty Ltd, please contact:

Address: 13 Sheridan Close Milperra NSW 2214 Australia

Telephone: +61 2 9519 1200

Email: returns@master-instruments.com.au

Web: www.master-instruments.com.au

Pylontech may contact You for further information regarding a defect. Pylontech may require You to complete root analysis testing of the Product to provide evidence supporting the claim. Final verification of the claim will be made by Pylontech.

If You dispute Pylontech's verification of the claim, the Product must be evaluated by a government certified testing lab or a certified 3rd party testing company. You will bear the cost of any 3rd party evaluation service charge (unless your claim is proven to be valid, in which case Pylontech will be responsible for the testing costs).

If any testing of the Product's capacity is required, the testing must occur in the following conditions

- a) The test is based on single US series battery module.
- b) The ambient temperature of the Product must be $25^{\circ}\text{C}\pm 2^{\circ}\text{C}$
- c) The initial temperature of the battery pods must be $25^{\circ}\text{C}\pm 1^{\circ}\text{C}$
- d) Constant voltage(14.4V) constant current (20A) charge till all the cell voltage above 3.50Vdc or till charge current less than 1Amps.
- e) Constant voltage(10V) constant current (20A) discharge till battery low voltage protection cut-off.

If the Product is no longer available, Pylontech may, at its discretion, replace the Product with a refurbished product or different product or parts with equivalent functions and performance according to the latest technical information available.

5. Exclusions of Warranty

To the extent permitted by law, Pylontech excludes all liability for the Product to the extent that any damage or defect has been caused or contributed to by the following:

- 1) Inverter or charger failure;
- 2) Battery has not been operated properly according to the product manual.

- 3) You treat the Product improperly, negligently or in any other inappropriate way, including using the Product outside the recommended ambient temperature condition in accordance with the Product Instructions;
- 4) Transportation, including but not limited by dropping, trampling, deforming, impacting, or spearing with a sharp item;
- 5) Storage, installation, commissioning, modification or repair of the Product that has been performed by a person other than Pylontech or a Pylontech's certified installer;
- 6) Abuse, misuse, negligence, accidents or force majeure events, including but not limited to lightning, flood, fire, extreme cold weather, or other events outside the reasonable control of Pylontech;
- 7) Any attempt to extend or reduce the life of the product without written confirmation from Pylontech, whether by physical means, programming or others;
- 8) Removal and reinstallation at another place from the original installation without the written confirmation from Pylontech;
- 9) Water, conductive dust or corrosive gas;
- 10) The Product has been connected with different type battery modules;
- 11) Battery have been connected with battery not from Pylontech;
- 12) Failure to install, operate or maintain the product in accordance with the Product Instructions;
- 13) Normal wear and tear or deterioration, or superficial defects, dents or marks that impact the performance of the Product; and
- 14) Theft or vandalism of the Product or any of its components.

6. General provisions

This warranty is subject to the law of the Territory.

If any provision in this document is unenforceable, illegal or void or makes this document or any part of it unenforceable, illegal or void, then that provision is severed and the rest of this document remains in force.

If any provision in this document is unenforceable, illegal or void in 1 jurisdiction but not in another jurisdiction or makes this document or any part of it unenforceable, illegal or void in 1 jurisdiction but not in another jurisdiction, then that provision is severed only in respect of the operation of this document in the jurisdiction where it is unenforceable, illegal or void.

7. Definitions

In this document:

1. **Authorized Reseller** means an approved Pylontech retailer or distributor in the Territory.
2. **Warranty Period** Two (2) years from the earlier of: when the date of installation of the Product; or six (6) months after the date the Product was manufactured,
3. **Minimum Capacity** means at least 80% of the Nominal Energy during the Warranty Period.
4. **Nominal Energy** means the initially rated capacity of the Product as printed on the label of the Product.
5. **Product** means RV12100(12V100Ah) battery system manufactured by Pylontech;
6. **Product Instructions** means the instructions and manuals issued by Pylontech with the Product that set out how the Product should be installed and operated.
7. **Pylontech** means Pylon Technologies Co., Ltd of No. 73, Lane 887, ZuChongzhi Road, Zhangjiang Hi-Tech Park, Pudong, Shanghai.
8. **Territory** means where the Product was purchased.
You means the natural person that acquired the Product.

Note:

Warranty period could be extended to Three(3) years **FOR FREE** by successfully register your product on Pylontech website: <http://www.pylontech.com.cn/service/support>

Warranty Card

On behalf to make a faulty claim, please fully read and clarify the warranty terms in advance. Then let the onsite engineer fully fill the information required in this card, sign and send back to Pylontech or their authorized distributor.

1. Distributor name: _____

2. Battery system location: _____

3. Battery serial number: _____

4. Date of faulty happened: _____

5. Faulty description:

- cannot be turned on, no communication, not charging,
 not discharging, ALM on, others: _____

6. Inverter brand and type: _____

7. Real time battery information shown on inverter or inverter monitor system APP etc:

Voltage: _____ V; Current: _____ A; SOC: _____ %; Temperature: _____ °C

8. How long had the system been used?

- Dead on arrival, Faulty after installation Under 6 months,
 6 months to 1 year, 1 year to 3 years, more than 3 years.

9. When did the faulty happen?

- Morning, afternoon, nightfall,
 midnight, other time: _____

10. How often did the faulty happen?

- Once or twice, three times or more, Every day,
 other: _____

11. If the customer can see the battery, please check the lights status:

	RUN (Green)	ALM (Red)	SOC lights (Green)			
On	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Off	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Flashing	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

12. Battery power terminal voltage measured by multimeter: _____

13. Please attach all necessary photos or videos of, for instance, battery SN label and front panel as evidence to the faulty claim.

Please attach all the information required above to send back to Pylontech or their authorized distributor. Fail to submit any information required may lead to a lacking of information of processing the claim.
