

10 Year Fronius Warranty Plus Promotion

End Customer Registration Guide

Fronius has been the name to trust since 1945. Take advantage of the warranty benefits from Fronius for you and your PV system.

Register your inverter to get 10 Year Fronius Warranty Plus for free. Eligible for Fronius SnapINverters, GEN24, GEN24 Plus, Tauro and Verto installed between 01/10/2024 and 31/12/2025.

Below are the simple steps to get your system registered and claim your extended warranty.

Step 1

- Go to www.solarweb.com and log in with your existing Fronius Solar.web account.
- If you do not have an existing Fronius Solar.web account, please click the **“Register Now”** button to create an account.
- Once you have created an account, you will receive a confirmation email from Fronius. Make sure to open the email and follow the link inside to activate your account.

Step 2

- Once logged in, click on **“Product Registration”** in the top right corner and then **“Register Product”**.
- Please enter the 8-digit serial number of your inverter, installation date, installation country and installer in the relevant fields. For GEN24, Verto and Tauro inverters, you will also need to input the unique V-code.
 - *You can find the serial number (and V-code on GEN24s, Vertos & Tauros) on the information label located on the outside of your physical Fronius product.*
- Once you have entered your details, click the **“Register”** button.

Devices not assigned to a Fronius Solar.web system (1)

Registration incomplete (1/1)

Only inverters can be registered. System extensions like Ohmpilot, Smart Meter, Wattpilot, or Sensors cannot be registered.

Serial number 34121671

V.Code 2093

Installation date 16.08.2023

Installation country Österreich (Austria)

Installer Fronius, 4600 Wels (AT)

Step 3:

- Now that your Fronius inverter is registered, you will be met with a pop-up that prompts you to complete your warranty extension. Click the **“To the Free Warranty Extension”** button.
- If this pop-up does not appear, head back to the **Product Registration** section and find your inverter. You can then click the button **“Extend Warranty”**.

Step 4:

- You will then be taken to the Fronius Webshop, where you can claim your free warranty extension.
- You will see the red **“10 years Fronius Warranty Plus”** label appear for your product. Add this item to your cart.

Step 5:

- Click on **“My Cart”** and then **“Proceed to Checkout”**.
- Check the order details and make sure your order shows an order total of \$0.00.
- Click **“Place Order”** and your warranty extension is now been purchased.
