

Company Information

Company

Name

E-Mail

Department

Address

Tel.

Fax.

Physical Requirements

Battery type & Pack construction

Li/SOCl₂, Li/MnO₂ (series, parallel)

Application

Outer size (Length, width, height & diameter with the brief schematics)

Terminal or connector

Cable

Electrical Requirements

Capacity

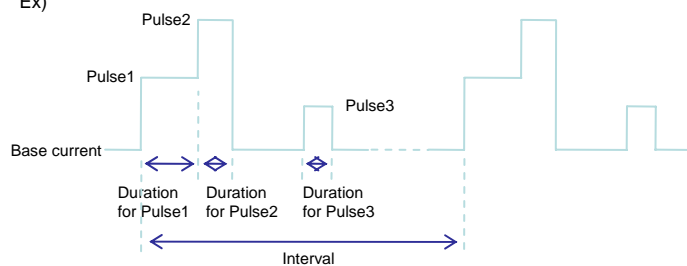

Expected life time

Cut-off voltage (Minimum operating voltage)

Maximum operating voltage

Current profile

Ex)

	Current (mA)	Duration (sec)	Interval (sec)
Base current		X	X
Pulse1			
Pulse2			
Pulse3			

Environmental Requirements

Storage Temperature (min, mean, max)

Operating Temperature (min, mean, max)

Additional Information
